## **Reservation Information (additional information is on our contract)**

**DEPOSITS:** Your reservation is confirmed once the deposit and Facility Use Agreement are received. A deposit of **30% of the contract** price for retreat packages (**50% for events without meals**) or \$150 (whichever is greater) is required to guarantee your space. A **security deposit of a minimum of \$200 is required for all events.** The deposit will be returned following stay less any damages or repairs. Once the facility use agreement time has begun, all sales become final. This means that once the facility use period has started, there are no refunds or cancellations allowed, and any payments made are non-refundable. Therefore, guests should be aware that they will not be eligible for a refund if they decide to change the details of the agreement or cancel the event after it has commenced. It's essential to plan accordingly and be sure of event plans before the scheduled start time to avoid any financial loss.

### **CANCELLATION/RESCHEDULE:**

- At least 30 days prior to the event, a full refund less a \$50 administration fee will be issued.
- Fewer than 30 days prior to the event, a cancellation fee equal to the deposit will be charged. Under special circumstances, an event may be rescheduled with the approval of the Executive Team. If the event is rescheduled, the deposit – less a 5% or \$100 (whichever is greater) rescheduling fee – will be transferred to the new event. Groups may reschedule only once in a calendar year. If CIW can arrange a replacement group generating comparable income, then a 50% refund of the deposit will be considered.
